

## FAQ's

### WHY IS BUYING LOCAL SEAFOOD IMPORTANT?

- ❖ Only a small percentage of the total food supply in Hawaii is produced here.
- ❖ Fishing is one food system that we excel at. Hawaii Seafood is known around the world and visitors enjoy it as much as locals.
- ❖ If we don't buy Hawaii Seafood, we aren't supporting local fishermen, their families and our community.
- ❖ Buying local "anything" helps keep our hard-earned money cycling through the local economy instead of flowing out.

### WHAT MAKES HAWAII SEAFOOD SUSTAINABLE?

- ❖ Sustainable seafood comes from well-managed, responsible fisheries.
- ❖ Hawaii's fisheries are among the most intensively studied, monitored and managed fisheries in the world.
- ❖ In fact our longline fishery has a very high score of 94% compliance with the only global standard for Responsible Fisheries, the FAO Code of Conduct.
- ❖ Our management system is science-based, precautionary, transparent and inclusive.
- ❖ It's an exemplary management system and a model for sustainable fisheries.

## Why Donate

By donating you will be helping the Hawaii Seafood Council achieve the following goals:

- ❖ Provide benefits to the public through education, outreach and research;
- ❖ Increase public awareness of the vital role that marine fisheries resources and the fishing and seafood industries play in Hawaii's unique diversified economy, culture and society, and food security;
- ❖ Increase public appreciation of the importance of local production of sustainable, safe, high-quality Hawaii seafood produced and processed in a responsible manner.
